BUSINESS MEETING REPORTS FOR JANUARY 2010

DCM Report

In December I was able to attend the 2nd event planning committee to commemorate AA's 75th anniversary. We now have a save the date for Saturday June 12, 2010 (June 10th, 1935 Dr. Bob Smith's sobriety date is the birthday of Alcoholics Anonymous) and a location at the Meydenbauer Center in Bellevue. Visions discussed for this event were to Have a Big Room experience, Share the experience of our Area history of AA and a venue for people to be able to talk to each other one-on-one and fellowship throughout the day. I have submitted the minutes so you can see just how much planning is going into this event. Next Planning meeting: 10:00am January 16, 2010 GSIG office, 5507 6th Ave. S, Seattle. I also continued taking meetings to the Minimum Security Unit at Monroe Correctional Complex. There are currently meetings on Tuesday and Thursday evenings 6:30 to 8pm and a Big Book study on Saturday mornings at 8:30. If you are interested in trying a one-time visit to see if this type of service is for you I have applications or the link to get them online is <http://www.doc.wa.gov/docs/VolunteerApp.pdf>

As I begin the 2nd half of my DCM service position I think about what I would like to see accomplished in the coming year. A district inventory and budget review are the 2 that immediately come to mind, as well as inviting different area committee chairs to our district meeting to give short presentations about the area work they are doing. I am open to suggestions so let me know what or how you would like your District 24 business experience to be for 2010.

I look forward to attending the Area 72 Quarterly with Annie this weekend in Vancouver. It's always helpful to see how other districts are doing things and to touch base with the area happenings. New motions are being submitted to start the process for presentation at the next assembly!

*Thank you for the opportunity to be of service,
Stephanie S.*

Corrections Report

We continue to add volunteers. One of our newest volunteers, Teresa S. from Everett, is recruiting others to go. The guys really look forward to seeing new people from the outside and hearing a different story.

Christmas eve fell on a Thursday so Teresa and I were the sponsors, and it felt special to be there to share that day in a meeting. On New Years Eve, it was Rick Park and Caitlin and I.

I missed the Corrections Quarterly (forgot to plan for it) and the Minutes are not available yet.

If you'd like to participate in Corrections there are several ways to do so. The Bridge program needs volunteers to take people to their first few meetings outside of prison. And you can join us in a meeting and share your story. See me, Jane, Stephanie, Nels, Rick or David Rood for an application. We'd also like to thank you for Grapevines and literature.

*Thanks for letting me be of service,
Judy S. stiljudy@gmail.com*

PI also aims to keep the AA Fellowship informed about our Traditions.

Cooperation with the Professional Community (CPC): Primarily educational in scope, CPC work provides information about AA to professionals who may come in contact with alcoholics. Typically, CPC works with health care professionals, educators, members of the clergy, lawyers, social workers, union leaders, and industrial managers, as well as those working in the field of alcoholism. Information is provided about where we are, what we are, what we do, and what we cannot do.

75th AA Anniversary Planning Minutes December 19, 2009

The 75th AA Anniversary Meeting opened with the Serenity Prayer.

Lots and lots of volunteers are needed. These volunteers need to be able to attend the planning meetings and have time to do the work.

From the Chair:

- My job is to help all committees in any way I can. Don't hesitate to ask questions. Call me!
- Please stay on topic at these meetings – it's so hard to get things accomplished when we stray off topic
- Introductions of everyone present at the meeting

Facilities Committee Report – Gail

- handed out spreadsheet of all facilities that she contacted and went over each of them: Tukwila Community Center, Meydenbauer Center, King County Fairgrounds, Seattle Center, Doubletree at Seatac, Westin in Seattle, WA State Convention Center
- discussion about each facility, cost of each, number of people we expect, capacity of each venue, possible need for breakout rooms
- suggestion: two sessions – morning and afternoon – people could have tickets for one or the other
- suggestion: there will be more attendance if event is held in Seattle
- Bob shared his past experience – suggested that the venue cost might be lower if we choose a weekday evening; really good speakers (perhaps celebrities) draw more people
- Suggestion: create a Vision Statement for this event before we make major decisions
- Barbie – we need to vote on three issues today:
 - Should we make a decision about the venue today? Vote carried in favor of making a decision.
 - How many people do we expect to come to this event? Vote carried for 3,000 attendees.
 - How long should the event last?

Vote carried to have the event at the Meydenbauer Center in Bellevue on Saturday, June 12th, 2010.

Program Committee Report – Astri

- Talked to Archives people. Would like to have an Archives presentation. Someone could do a show-and-tell type history presentation, for example.
- Her work will really begin once she has a timeframe to work with
- Suggestion: have a program in the morning and repeat the program in the afternoon
- Question – invite a big-name speaker or ask oldtimers from the local area and headline them? That way they are free and we could have speakers throughout the day.
- Suggestion to have an Archives presentation
- Vision Statement discussion. What are we trying to accomplish? What are the three “bells” we want to ring, our three main objectives?
 1. Have a Big Room experience
 2. Share the experience of our Area history of AA
 3. venue for people to be able to talk to each other one-on-one; fellowship throughout the day
- Suggestion: keep in mind our singleness of purpose – carry the message to the newcomer
- Astri will look for speakers. Bob is willing to support this speaker selection process – he has much experience because of his life’s work of taping speakers
- Clark agreed to contact someone he knows to be the Entertainment Chair.

Finance Committee Report – Eddie

- will work with Gail in putting financial numbers together
- need to hear from all committee chairs about how much money they will need
- Dan volunteered to help with fundraising
- North Seattle Alano Club is able to offer that facility for fundraising events

Communications Committee Report – David

- Once there is a flyer David will contact local DCMs and GSRs to make sure they are aware of this event
- Barbie volunteered to contact the Area 72 Chair so he can spread the word
- Clark will look into the creation of a Vision for You logo for the event
- Bob volunteered to create web access through the Area and Intergroup websites. Needs to know what to put on the websites before moving ahead

Hospitality Committee Report – Conrad

- Need to figure out where hospitality room will be and what will be in that room. Gail will check with Meydenbauer Center about cost of coffee, etc. and cost of room for hospitality.
- Offer just coffee and cake?
- Discussion about providing food for event. There are several places to eat in the area.
- Suggestion to leave some space in the days' program so people have time to eat. Perhaps we can provide sandwiches as well as cake and coffee.

Banners and Signs Committee

- This will be a sub-committee of hospitality
- *Need a volunteer for this sub-committee*
- David will look into pricing for banners and signs

Transportation Committee??

- Should this be a sub-committee of Facilities? Yes. Gail will take care of that.
- Suggestions for car-pooling and parking – Gail can talk with Meydenbauer Center about lowering the cost of parking for this event – they have lowered the cost to \$5/day in the past.

Registration Committee – Stephanie

- Stephanie volunteered to chair this committee
- Table discussion of collecting money at the door or tickets in advance to next meeting when we know where we're at re financial needs
- Suggestion: registration is a good idea so we have some idea of attendees for historical records – some sort of sign-in process

Volunteer Committee – Larry

- Larry volunteered to chair this committee

Meeting adjourned with a prayer

Next Planning meeting:

**10:00am January 16, 2010
GSIG office, 5507 6th Ave. S, Seattle**

AA Carry the Message, Come and/or Pass It On

I'm opening my home up to women in A.A. I'd like to focus on different readings from the literature and pamphlets. Explore and stomp out myths and misperceptions of Alcoholics Anonymous. Uncover the truth and finally really have a concept of what it means to Carry the message of Alcoholics Anonymous.

It starts this Monday at 9 am. Eventually I'd like a solid group to read the first 164 pages from the Big Book of Alcoholics Anonymous.

Hope you had a great Holiday season, looking forward to new experiences in 2010.

CHALLENGE

Do some early spring cleaning and gather up all old, unused Grapevine magazines, AA-approved literature, including old Big Books and 12 x 12's to donate. Bring these items to your Home Group for your GSR to bring to the next District Business Meeting. The Home Group that donates the most literature for that month will collect an AA-approved book-of-the-month.

GRATITUDE IN ACTION: The District 41 Bus Sign Project

**Faced with a Drinking Problem?
Perhaps Alcoholics
Anonymous can help.
Call 206-587-2838**

Since 1992, District 41 has facilitated the continuing display like the one above, on Metro Buses that travel throughout King, Snohomish and Pierce counties.

District 41 pays \$2200.00 a year, \$550.00 each quarter, to have 124 11"x17" signs displayed in Metro buses. District 41 will continue to facilitate the Bus Sign Project as long as members of the AA fellowship continue to support this much needed service.

Thanks to the contributions from individuals, groups and districts, we have had over 16 successful years.
