GSO's Frequently Asked Questions

Q. We are planning to hold a roundup and some A.A. members are saying that since we are charging a registration fee for attendance at an A.A. function, we are not acting in accordance with A.A. Tradition.

A. There is a big difference between “no dues or fees for A.A. membership” and a registration fee for an A.A. roundup. The word “fee” is a strange one in a self supporting Fellowship, but someone has to pay the bills! There are many, many A.A. roundups, conventions, and conferences (see the Bulletin Board Section of Box 459 or the Calendar of Events in the Grapevine) and in most cases, registration fees are charged to cover the expenses of the event. Often a special event, such as a banquet, is put on for the purpose of raising additional funds to support a central office or the work of an institutions committee.

Depending on the situation, and in the judgment of the planning committee, sometimes special arrangements are made for A.A.s who would like to attend but cannot afford to. There are also events, such as a banquet, which only ticket holders attend, but after the meal the room is opened up to everyone, with or without a ticket, to hear the speaker. But again this decision is made by the planning committee.
