DCM Report

I want to thank the GSR's for all the time you spent getting knowledgeable about the assembly motions, taking that to your home group and finding out how they wanted to vote. There were about 730 registered for the business meeting and district 24 had about 25 GSRs in attendance. You are the voice of your home group and I thank you for showing up and being heard.

Notes from the Corrections Quarterly

September 19, 2009 Hosted by District 7

22 Districts were represented in attendance and Tom was the afternoon speaker. Literature orders will be taken at the next

Quarterly. The area provides a certain amount of literature free of charge to be taken into corrections. This is meant to supplement the Districts that take literature in but might not have the funds to support the need. Literature costs are up with no increase to the budget. Area inventory information from the district committee chairs will be gathered and discussed at the December Quarterly. The Bridge Chair was not in attendance and no report was given but there were overwhelming complaints from the Districts of Bridges not being fulfilled. This is very serious and Dan F. (Area Chair) will follow up. Corrections correspondence program was discussed

and forms will be emailed. Thank you to Judy for the opportunity to be of service, Stephanie S. DCM District 24

As an aside, I had the opportunity to carpool to Vancouver with Jasper from District 3. This was a 361 mile round trip and the cost to our district would have been \$199.00 for mileage. Jasper charges his District for gas only (\$80.00) and I paid him \$40.00 for half. I would encourage everyone to look for ways to minimize the financial impact while doing our service work.

Stephanie S. DCM District 24

BUSINESS MEETING REPORTS FOR OCTOBER 2009

Alternate DCM Report

Explained the motions to my home group and got a group conscience to prepare for the assembly. Attended the ww area 72 assembly at the Lynnwood convention center on the 2nd, 3rd and 4th of October. We had a great attendance by our GSR's and Alt GSR'S. We filled up three tables. It was a great experience for all the people who had not attended one before. It was great to witness such a process and we had lots time to get to know each other better. There was over 700 at the event. Looking forward to next years.

Treatment/Bridging the Gap report

Hello D-24--I set up 3 speakers at Alpine Recovery for Thursday eve. and one speaker did a Bridging the Gap presentation for me too. Not sure what that produced. On the topic of BTG....it has come to my attention that either none or some of the bridges I have been sent are not being contacted/bridged. I find that completely unacceptable and I am putting

out a notice of an opening for the position of BTG to help me with that part of my position. More info to follow at the district meeting. Area Quarterly is Sat. Oct. 10th in Bellingham and I plan on attending if anyone wants to ride with me...unless the weather is good I will ride my motorcycle!

*THANKS
Boomer*

D-24 Corrections Report

The September Quarterly was held in Vancouver, WA on the 19th, and as I was on vacation, Stephanie attended and voted for me. I missed several meetings at MSU and yesterday (Tuesday) discovered that the meetings have not been covered. Luckily, the guards allowed the meetings to go on without a sponsor, and we had a good meeting on Tuesday. We're back to normal.

We always need volunteers, so see me or Jane or Rick P. or Nels if you're interested in this work. Bridge the gap is also a good way to help a newly released alcoholic to get plugged into the program. Those forms are available at area72aa.org.

Newsletter Report

I received a current list of chair email addresses, which allowed me to send everyone the access information for the GMAIL Accounts. If anyone is having problems let me know.

Having current email addresses, along with everyone providing me their reports over the weekend made this months newsletter come together much easier.
